MRS. PINKHAM'S WARNING TO WOMEN.

Neglect is the Forerunner of Misery and Suffering—A Grateful Husband Writes of His Wife's Recovery.

Nearly all the ill health of women is traceable to some derangement of the feminine organs. These derangements do not cure themselves, and neglect of the sensations resulting from them is only putting off trouble.

Pathetic stories are constantly coming to Mrs. Pinkham of women whose neglect has resulted in serious heart trouble and a whole train of woes. Here is the story of a woman who was helped by Mrs. Pinkham after other treatment failed:

DEAR MRS. PINKHAM:—It affords me very great pleasure to be able to state that I believe my wife owes her health to your medicine and good advice. For three years her health failed rapidly; she had heart trouble, often falling down in dizzy and fainting spells, shortness of breath, choking and smothering spells, bloating of the stomach, a dry cough, dyspeptic symptoms, meneses irregular, scanty, and of an unnatural color. She had been treated by physicians with but little benefit. She has taken your treatment according to your directions, and is better in every way. I am well pleased with the result of your treatment, and give you permission to use my letter for the benefit of others.

CHAS. H. and Mrs. MAY BUTCHER,
Fort Meyer, Va.

The healing and strengthening power of Lydia E. Pinkham's Vegetable Compound for all female ills is so well established that it needs no argument. For over twenty years it has been used by women with results that are truly wonderful.

Mrs. Pinkham invites all women who are puzzled about their health to write to her at Lynn, Mass., for advice. All such correspondence is seen by women only, and no charge is made.

A Million Women Have Been Benefited by Mrs. Pinkham's Advice and Medicine.

of the vote in the western half of the ward had been cast before noon and the poll-closed before 3 o'clock. At Sheffield, in the eastern end of the ward, a tight vote had been controlled at noon, but it was heavy between that time and 3 o'clock. The Democrats carried the first precinct in the city after the polls had closed, but the Republicans claimed the first precinct had been carried by the Democrats. The vote in the ward was admitted to be close by the Democrats. They claimed the ward by a majority of 290.

LOWER HOUSE IS SAFE.

Nine Republicans to Five Democrats Insure Home Rule for Kansas City.

The lower house is safely Republican. Nine Republicans were elected to five Democrats, which, with the solid upper house, will insure home rule in police affairs in Kansas City.
